We have divided this year's Community Service Projects into six areas. Each project committee will organize an activity, collection or program. A list of ideas will be provided or you can come up with your own! We have pre-selected the month to align with other Club activities and so that you can coordinate with your calendar. We encourage you to volunteer for 1 Community Service Project.

- Education & Libraries – October
- Community Thanksgiving Service - November
- Health & Wellness – January
- Civic Engagement & Outreach – February
- Arts & Culture – March
- Environment – May

Membership Meetings

Throughout the year we have membership meetings to discuss Club business and to hear from speakers who expand and enrich different areas of our lives. Our Programs Vice President, Lisa Spivey, is doing a fabulous job finding speakers! We need help with other aspects of the meetings such as: set up, decorations, refreshments, hostess/greeter, inspiration and clean up! We encourage you to volunteer for 1 Membership Meeting. Each meeting committee will meet and work as a team to implement all aspects needed for each meeting!
